 Re: Proposed Telephone Area Code changes for the Flagstaff area

Dear Commissioners:

We are writing to express our preference for
 ONE single AREA CODE for the ENTIRE Flagstaff area.

We are NOT in favor of ANY of the proposed "overlay" schemes
 which not only will require ALL users of the system
 to--FOREVER AFTER--dial three ADDITIONAL area code DIGITS
 simply to call across town, OR to a "new" number,
 but, also, will REQUIRE businesses to modify
 or acquire additional telephone EQUIPMENT
 simply to accommodate LOCAL telephone calls.
 THAT "PROPOSAL" IS, SIMPLY, MADNESS!!!

Perhaps, it WAS "necessary" to impose two additional area codes,
 on the Phoenix Metropolitan Area--due to ITS population size--
 but, surely, NOTHING about that "logic" is applicable
 to the much smaller community and population area of Flagstaff.

Surely, ALL of the USERS of the Flagstaff Telephone System
 are ENTITLED to our own, SEPARATE telephone Area Code
 and need NOT be--FOREVER--burdened with the necessity
 of 10 digit dialing for LOCAL telephone calls. . . .
